

All normal contest restrictions apply <https://wchsnetwork.com/contest-rules/>

Services are booked on pappy's schedule.

Only available within 50 miles of belle West Virginia office.

Not available in Historic district.

Must be accessible with pappy's box truck.

Client acknowledges that it has made the choice as to equipment size and specification.

Customer agrees to provide Contractor with a safe and readily accessible work site.

The client will establish that all work areas shall be free of hazards (asbestos, insects, rodents, chemicals, mold, etc...) and to clear working area of any hazards that would inhibit the installation. If the hazard is found during the time of service, all work by Pappy's will cease until customer has corrected matters appropriately at customer's expense. Also, after investigation, Pappy's reserves the right to automatically terminate the service order/invoice.

Must be readily accessible, and do not require removal of material, personal property, walls or ceilings.

Customer acknowledges that temperatures may vary from room to room and in different levels of the house and that Contractor shall have no liability for such variance. Customer understands that new equipment will make different sounds and provide a different type of heat and cooling than older equipment.

If client should order extra work not specified in the Agreement, Pappy's may require such extra work to be considered an agreement separate and aside from this Agreement and may require payment for said extra work in advance.

Client shall not interfere with install.

Pappy's is not responsible for any painting, patchwork, or repair work that may be required following modification/installation work.

Client is responsible for any additional costs.

The Client accepts to provide the Contractor with sufficient access to the premises where Services are being performed on the date that work is scheduled.

The Client shall allow the Contractor to use utilities such as water, power and sewer of the premises, at no cost, to render the Services and execute the work.

Hooking to everything existing. If the existing is not suitable there will be an add.

While efforts have been made to make this Web site helpful and accurate, due to the open nature of this Web site, and the potential for errors in the storage and transmission of digital information, pappy's HVAC does not warrant the accuracy of information obtained from this Web site.

Due to state licensure restrictions unit can only be installed in West Virginia
